Corporate Governance and Oversight Policy

Document ID: IS-CIRQ-P-037-G
Category: Governance & Management
Division: Policy
Type: Global
Version: 1.0
Effective Date: March 2026
Review Date: March 2027
Approved By: CEO, Board of Directors
Generated: March 02, 2026

1. Introduction

Effective corporate governance and management oversight are essential for ensuring Cirque Corporation operates with integrity, transparency, and accountability.

2. Purpose

This policy establishes the governance structure, management oversight responsibilities, and accountability mechanisms to ensure the organization achieves its objectives while managing risks appropriately.

3. Scope

This policy applies to the Board of Directors, executive leadership, management, and all employees of Cirque Corporation.

4. Governance Structure

Cirque Corporation's governance includes:

- Board of Directors: Provides independent oversight and strategic direction
- Executive Leadership: CEO and department heads responsible for operations
- Management Team: Department leads and managers implementing policies
- All Employees: Responsible for compliance with policies and procedures

5. Board of Directors Responsibilities

The Board shall:

- Meet quarterly to review organizational performance
- Oversee risk management and internal controls
- Approve major strategic decisions and investments
- Review and approve annual budgets
- Ensure compliance with legal and regulatory requirements
- Evaluate CEO and executive performance
- Oversee information security program

6. Executive Leadership Responsibilities

Executive leadership shall:

- Establish and communicate organizational objectives
- Implement policies and procedures approved by the Board
- Manage organizational resources effectively
- Report to the Board on performance, risks, and compliance
- Foster a culture of ethics, integrity, and compliance
- Ensure adequate resources for information security

7. Management Oversight

Department heads and managers shall:

- Oversee day-to-day operations in their areas
- Ensure policies and procedures are followed
- Monitor performance and address issues promptly
- Identify and escalate risks to leadership
- Develop and train their teams
- Report to executive leadership regularly

8. Meetings and Reporting

Governance meetings shall occur:

- Board meetings: Quarterly (minimum)
- Executive leadership meetings: Monthly
- Department management meetings: Weekly or bi-weekly

Meetings shall be documented with minutes, decisions, and action items.

9. Information Security Oversight

The Board and executive leadership shall:

- Review information security metrics quarterly
- Approve information security policies and budget
- Receive reports on security incidents and breaches
- Ensure adequate cybersecurity insurance
- Oversee third-party security risk management
- Review audit findings and remediation plans

10. Performance Monitoring

Management shall monitor:

- Progress toward organizational objectives
- Key performance indicators (KPIs)
- Financial performance and budget compliance
- Risk levels and control effectiveness
- Compliance with policies and regulations
- Employee performance and engagement

11. Ethics and Compliance

The governance structure shall ensure:

- Code of Conduct is enforced
- Ethics violations are reported and addressed
- Whistleblower protections are maintained
- Conflicts of interest are disclosed and managed
- Compliance program is effective

12. Document Retention

Governance documents shall be retained:

- Board meeting minutes: Permanently
- Executive meeting minutes: 7 years

- Financial reports: 7 years
- Audit reports: 7 years
- Policy approval records: Duration + 7 years
